

INSPECTIONS

Inspection Time Again!

Inspections may occur any day of the week and at any time of the day that services are performed or the salon is open for business. If you wish, the Inspector will have you accompany him/her during the inspection. However, the Inspector is on a schedule and may not be able to wait before beginning the inspection. *Be prepared to spend a few minutes with the Inspector at the end of the inspection*, at which time the Inspector will explain the report and answer any questions. If you have additional questions, please direct them to the Inspections Section at (916) 574-7575.

Inspector Identity

Each Board Inspector carries an official identification card. If you have any question about the Inspector's identity, ask to see the official identification card.

Disinfection for Non-Electrical

1. Wash in soapy water.
2. Rinse in clean water.
3. Dry with clean cloth.
4. Totally immerse in an EPA-registered disinfectant used according to manufacturer's instructions.
